

Our History

Pascoe Canada is the Canadian subsidiary of Pascoe pharmazeutische Präparate GmbH, a family-run manufacturer of natural healthcare products headquartered in Giessen, Germany.

Pascoe Canada is dedicated to bringing our users premium natural healthcare products with over 120 years of history. Pascoe's history dates back to the pharmacy founded by Friedrich Pascoe in 1895.

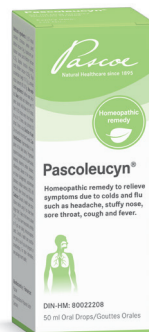

Pascoe the company was founded in 1918 by the pharmacist Friedrich Pascoe, who worked with a student of the famous homeopathic practitioner Samuel Hahnemann, Rev. Felke. Some of the earliest remedies still exist in the present-day Pascoe line.

In 1961, Pascoe began doing research on its products and presently continues to invest a high amount of its gross sales into research. The company is currently owned and operated by Jürgen F. Pascoe and his wife Annette D. Pascoe, the third generation of the family in the business. Pascoe is distributed in over 30 countries world-wide.

Get Ready and Stay Ready For Winter

Pascoleucyn®

08/2017 - BO-2004EN

Keeps you prepared for winter.

Get prepared

In Canada, flu season normally runs from November to April. According to the Public Health Agency of Canada, 5-20% of the population gets the flu each year.

Having your immune system on high alert is a good idea throughout the winter months, particularly if you are prone to colds and flu. Let's get a head start for the long winter season!

When to take Pascolecyn® ?

- ✓ At the beginning of the flu season
- ✓ When other family members are ill
- ✓ In times of stress
- ✓ When there is a high amount of illness in the general community

Safe & Effective

- On the market for more than 60 years
- Combination of Echinacea and several other active ingredients ensures efficacy

Quality assurance

- Made in Germany under the highest standards

An effective treatment

Fast relief

Pascolecyn® Drops can be taken as soon as the first signs and symptoms of the flu appear (exhaustion, headache, shivering, fever, etc). It can alleviate cold and flu symptoms so you feel like yourself again quickly.

Relieves symptoms of:

- Headache
- Stuffy nose
- Sore throat
- Cough
- Fever

Tips: Keep a bottle of Pascolecyn® Drops at home throughout the winter, which can quickly relieve your cold and flu symptoms.

Stay healthy during the long Canadian winter

Pascolecyn® Drops is a well-tolerated and effective natural therapy for easing your symptoms of colds and flu.

Tips for preventing colds & flu

1. **Wash your hands** with hot soapy water before meals, touching your face, or after contact with others who have the flu.

2. **Getting enough sleep** and resting well are important for fighting off the flu virus, especially when you feel under the weather.

3. **Working out** regularly enhances the immune system and can prevent those viruses you do catch from making you sick.

4. **Eating healthy food** with a variety of fresh fruits and vegetables supports your immune system.

5. **Relax** and reduce your stress levels, allowing your immune system to focus on fighting flu virus.
